

# Duck with Potato

## for Adult Dogs

# Natural Selection

## Super Premium Range

The **Super Premium** range benefits from a variety of high quality protein sources. The range provides a selection of hypoallergenic recipes formulated without common food allergens for dogs - beef, pork, wheat, wheat gluten, dairy, egg and soya.

## Why Duck?

**Duck** is a lean, nutrient-dense source of protein that is a source of iron, selenium, B vitamins and zinc which may contribute towards general health and wellbeing.

## Why Potato?

**Potato** is an easily digestible carbohydrate source ideal for dogs with sensitive digestion.
